PLANNING YOUR MOVE TO DUBAI IN ADVANCE

Whether you are relocating to Dubai for work, business, study or lifestyle reasons it's important that you plan in advance and obtain expert professional advice both in the UK and in Dubai before you move.

Alliotts LLP in the UK and Alliot Management Consultancy (UAE) are working in partnership to provide you with coordinated, cross-border advice and practical support to help make your move to Dubai hassle-free.

Why choose Alliotts and Alliot Management Consultancy?

Expert advice for individuals and businesses.

A reduced administrative burden allowing you to focus on the practical aspects of your relocation.

Dedicated points of contact in the UK and Dubai who will liaise to help you achieve your desired outcome.

The reassurance of high standards, fee transparency and technical expertise.

Clear and reliable local advice both in the UK and Dubai.

The reassurance that you are meeting tax and legal requirements in the UK and the UAE.

Knowledgeable specialists who'll answer your questions and guide you every step of the way.

EXPERT ADVICE ON RELOCATING TO DUBAI

When relocating overseas it's essential that you ensure you obtain the right advice from experts to ensure that you are compliant in your home country and your new destination. The first step is to work with knowledgeable advisors who will ensure that have everything covered in the UK and in Dubai.

Our specialist teams at Alliotts (UK) and Alliot Management Consultancy (UAE) are on hand to seamlessly guide you through every stage of your relocation:

Departing the UK

We'll notify HMRC of the change in your residency, advise you on the tax treatment of any UK assets, your UK tax compliance obligations once overseas and the application of the UK Statutory Residence Test (SRT). We will also assist you with your UK tax returns.

Tax Residency Certificates

We can advise you on the Tax Residency Certificate (TRC) for individuals and companies and taking advantage of the UAE's double tax treaty.

UAE Golden Visa

We can advise you on the criteria for the UAE Golden Visa and the requirements for making an application. We can assist you with the process and support you every step of the way.

Setting up a Business in Dubai

Alliot Management Consultancy will explore the mainland and FreeTrade zones options. The expert advisors will walk you through the legal requirements, ensure full compliance, and tailor their guidance to help achieve your business goals.

Global Support When You Need It

As proud members of Alliot Global Alliance, a leading international network with 227 member firms in over 254 key commercial centres across 100+ countries, we can connect you with trusted professionals worldwide wherever business or life takes you.
